**International Lunar Conference 2017**

**Theme**: The Lunar Renaissance  
**Location**: Florence, Italy  
The Lunar Renaissance began with the announcement of the Google Lunar X Prize (GLXP) and humanity's return to the Moon with Hiten in 2007.

**Conference Topics**  
- GLXP - What's next for all teams?  
- QB 50 - Global Collaboration  
- Scientific Opportunities  
- New Space Entrepreneurs  
- ILGY Preparations and Planning

**International Lunar Conference 2019**

**Theme**: ILGY Progress  
**Location**: Prague, Czech Republic  
Six Month follow up of the ILGY, what has been accomplished what remains to be done to maximize the value of the global collaborative Lunar Decade.

**Conference Topics**  
- ILGY - Progress and Plans  
- Lunar Programs Around the Globe  
- Scientific Opportunities  
- New Technologies for the Frontier  
- New Space Entrepreneurs Expo

**International Lunar Conference 2021**

**Theme**: Opening the Lunar Frontier  
**Location**: Soul, South Korea  
Getting down to business on the Moon and Asteroids, then on to Mars and the outer Solar System.

**Conference Topics**  
- Cislunar Markets  
- Lunar and Asteroid Outposts  
- ILGY Science Follow Up  
- New Technologies for the Frontier  
- ILGY Political and Legal Follow Up

ILGY - The International Lunar Geophysical Year
